

Sealing the Deal:

Tips & Tricks for Managing Difficult Fistulas & Ostomies

Birmingham Area WOC Nurses' Association Spring Workshop

Date: Friday, May 12, 2017

Location: Homewood Public Library Auditorium

1721 Oxmoor Road, Birmingham, AL 35209

We are very excited to offer something a little bit different this year! Often in practice, we see ostomies and fistulas which are difficult to manage—sometimes due to shape, size, or associated wounds.

We will have talks from several four speakers on how to manage these, as well as TWO hands-on skills portions which include pouching difficult fistulas/stomas and using VAC therapy with difficult fistulas/stomas and associated wounds!

Early Registration: \$35 per person

April 28, 2017-At the Door: \$45 per person

- May register on PayPal with link below or mail a check to:

Birmingham Area WOC Nurses Association

PO Box 55353, Birmingham, AL 35255

In the case of extenuating circumstances, refunds will be available up until April 28th

There will be a vendor exhibition and breakfast and lunch will be provided
